WELCOME TO THE ALPINE PARK TREE PROGRAM

PRAIRIE

MOUNTAIN

URBAN

SHRUBS

Please review the following Tree Program options. We have defined available tree selections based on lot size. Regular Size lots are typically laned homes with a smaller front yard and Larger Lots have more room for a bigger tree. Information on the tree height and spread is available by each tree description.

Homeowners will select two trees for their lot or three if on a corner lot. If your preference is to have shrubs planted in lieu of a tree – there are additional choices available. Three (3) shrubs would equal one (1) tree selection.

Please note that all trees and shrubs must be planted in the **front yard**.

Once you make your selection – our Landscaping Consultant will contact you directly to make arrangements to plant your tree.

TREE PROGRAM

SMALL YARD OPTIONS

Select **two** trees. Reselections may be required based on availability or intended planting area. *Same selections permitted.*

Urban Inspired
Selection

Weeping Caragana
CARAGANA ARBORESCENS
'PENDULA'

Height **2-3m** | Spread **1.5-2m**

Distinctive umbrella-shaped form with gracefully cascading branches. Fine-textured green foliage creates a soft, elegant appearance throughout summer, turning yellow in fall. Small yellow flowers appear each spring.

Full sun + Dry to average soil

Weeping Flowering Crab
MALUS spp.

Height **2-3m** | Spread **2-3m**

Graceful weeping branches are covered in fragrant pink blossoms each spring. Colourful foliage and small ornamental fruit provide lasting interest through the seasons.

Full sun + Average to moist soil

Dwarf Korean Lilac
SYRINGA MEYERI 'PALIBIN'

Height **1.5-2m** | Spread **1.5-2m**

Compact rounded form with dense green foliage. Fragrant pink-lavender flowers bloom in late spring, attracting pollinators and adding seasonal colour.

Full sun + Dry to average soil

TREE PROGRAM

REGULAR YARD OPTIONS

Select **two** trees, or **three** trees for street corner lots. Reselections may be required based on availability or intended planting area. *Same selections permitted.*

Urban Inspired
Selection

Columnar Aspen
POPULUS TREMULA 'ERECTA'

Height **10–15m** | Spread **1–1.5m**

Slim columnar form with leaves that flutter in the breeze. Bright green foliage turns vibrant yellow and orange-red in fall, bringing seasonal colour to narrow spaces.

Full sun + Dry to moist soil

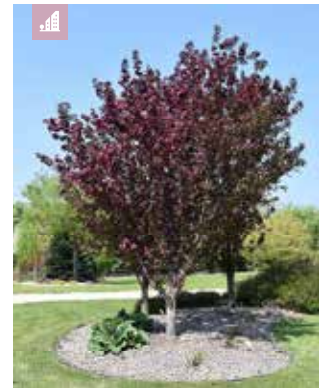

Mountain Pine
PINUS UNCINATA

Height **4m** | Spread **2m**

Upright pyramidal form with dense dark green needles that retain their colour year-round. A compact evergreen that adds texture, structure, and four-season appeal.

Full sun + Dry to average soil

Gladiator Flowering Crab
MALUS 'DURLEO'

Height **5.5–6m** | Spread **2.5–3m**

Narrow upright growth with showy pink spring flowers followed by small ornamental fruit. Rich burgundy-purple foliage provides bold colour from spring through fall.

Full sun + Average, well-drained soil

TREE PROGRAM

LARGE YARD OPTIONS

Select **two** trees, or **three** trees for street corner lots. Reselections may be required based on availability or intended planting area. *Same selections permitted.*

Mountain Inspired Suggested Combinations

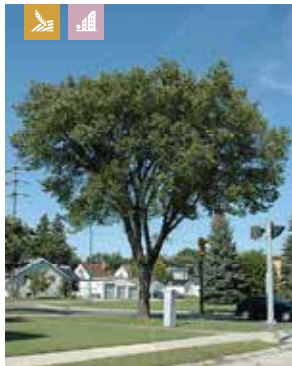

- 1** Trembling Aspen
Lodgepole Pine
- 2** Colorado Spruce
Siberian Larch
- 3** Black Mountain Ash
Jack Pine

Prairie Inspired Suggested Combinations

- 1** Patmore Elm
Hot Wings Maple
- 2** Trembling Aspen
Nobility White Ash
- 3** True North Linden
Hot Wings Maple

Urban Inspired Suggested Combinations

- 1** Patmore Elm
Ohio Buckeye
- 2** True North Linden
Colorado Spruce
- 3** Hot Wings Maple
Black Mountain Ash

Patmore Elm
ULMUS AMERICANA
'PATMORE'

Height **15m** | Spread **10m**

Broad vase-shaped canopy provides generous shade and an elegant streetscape presence. Large green leaves turn a brilliant gold in fall.

Full sun + Dry to moist soil

Nobility White Ash
FRAXINUS AMERICANA
'NOBILITY'

Height **15m** | Spread **9m**

Strong oval form with a neat, symmetrical canopy. Rich green foliage turns striking shades of purple in fall.

Full sun + Average to moist soil

Trembling Aspen
POPULUS TREMULOIDES

Height **10m** | Spread **5m**

Slender form with shimmering leaves that flutter in the breeze. Brilliant golden fall colour brings a distinctly Alberta character to the landscape.

Full sun + Dry to moist soil

True North Linden
TILIA AMERICANA
'DUROS'

Height **15m** | Spread **5m**

Narrow upright form with distinctive heart-shaped leaves. Dense foliage provides shade through summer before turning bright yellow in fall.

Full sun + Well drained soil

TREE PROGRAM

LARGE YARD OPTIONS

Siberian Larch
LARIX SIBIRICA

Height **6m** | Spread **3m**

Soft green needles turn brilliant yellow in fall before dropping for winter. A unique deciduous conifer with exceptional seasonal colour.

Full sun to partial shade
+ Dry to average soil

Lodgepole Pine
PINUS CONTORTA
'LATIFOLIA'

Height **12m** | Spread **3m**

Tall narrow form with dark green needles year round. A classic mountain tree that brings texture, height, and evergreen character to the landscape.

Full sun + Dry to average soil

Jack Pine
PINUS BANKSIANA

Height **20m** | Spread **3m**

Upright, natural form with dense clusters of green needles. A hardy Alberta native that adds year-round texture and rugged character.

Full sun + Well drained soil

Hot Wings Maple
ACER TATARICUM
'GARANN'

Height **8m** | Spread **6m**

Compact accent tree featuring brilliant red seed clusters in late summer and vibrant fall colour. A standout choice for seasonal interest.

Full sun to partial shade
+ Dry to moist soil

Ohio Buckeye
AESCULUS GLABRA

Height **8m** | Spread **6m**

Rounded canopy with distinctive fan-shaped leaves and showy clusters of yellow spring flowers. Excellent fall colour adds seasonal interest.

Full sun to partial shade
+ Average to moist soil

Colorado Spruce
PICEA PUNGENS

Height **20m** | Spread **5m**

Classic pyramidal evergreen with dense needles ranging from bright green to silver-blue. Provides year-round structure, colour, and privacy..

Full sun + Well drained soil

Blackhawk Mountain Ash
SOBUS AUCUPARIA
'BLACK HAWK'

Height **10m** | Spread **6m**

Clusters of white spring flowers are followed by colourful berries that persist into winter. Excellent seasonal interest and attractive to birds.

Full sun + Well drained soil

TREE PROGRAM

Choose **one** of four shrub combinations. All items are subject to availability.

Planting Combination #1

PRAIRIE

Pink Beauty Potentilla
POTENTILLA FRUTICOSA
'PINK BEAUTY'

Height **1m** | Spread **1m**

Dusty green leaves with pink flowers.

Full sun to partial shade + Dry to moist soil

Amber Jubilee Ninebark
PHYSOCARPUS OPULIFOLIUS
'JEFAM'

Height **2m** | Spread **1.5m**

Yellow-red leaves with white flowers.

Full sun to partial shade + Dry to moist soil

Andorra Juniper
JUNIPERUS HORIZONTALIS
'PLUMOSA COMPACTA'

Height **0.3m** | Spread **2m**

Blue-green foliage turns plum purple.

Full sun to partial shade + Dry to moist soil

Planting Combination #2

MOUNTAIN

Prickly Wild Rose
ROSA ACICULARIS

Height **1m** | Spread **1m**

Green leaves with pink flowers.

Full sun + Average to moist soil

Little Rebel Dogwood
CORNUS ALBA 'JEFREB'

Height **1.25m** | Spread **1.25m**

Bright red bark year round.

Full sun to partial shade + Dry to moist soil

Slowmound Mugo Pine
PINUS MUGO 'SLOWMOUND'

Height **0.75m** | Spread **1.25m**

Dark green needles.

Full sun + Dry to average soil

ALPINE PARK

Choose **one** of four shrub combinations. All items are subject to availability.

Planting Combination #3

URBAN

Goldmound Spirea
SPIRAEA JAPONICA
'GOLDMOUND'

Height **0.75m** | Spread **1m**

Light gold foliage turns red in fall.

Full sun + Average to moist soil

Annabelle Hydrangea
HYDRANGEA ARBORESCENS
'ANNABELLE'

Height **1m** | Spread **1m**

Large ball-shaped white flowers.

Full sun to full shade + Average to moist soil

Scandia Juniper
JUNIPERUS SABINA 'SKANDIA'

Height **0.3m** | Spread **1.5m**

Dusty green feathery foliage.

Full sun + Dry to moist soil

Planting Combination #4

URBAN

Froebelii Spirea
SPIRAEA X BUMALDA
'FROEBELII'

Height **1m** | Spread **1m**

Blue-green leaves with pink flowers.

Full sun + Average to moist soil

Charisma Lilac
SYRINGA X PRESTONIAE
'CHARISMA'

Height **1.25m** | Spread **1m**

Fragrant purple flowers.

Full sun + Dry to moist soil

Blue Tam Juniper
JUNIPERUS SABINA
'TAMARISCIFOLIA'

Height **0.6m** | Spread **2m**
